

## **PERSONAL, CAREER & ACADEMIC COUNSELING AND ADVISING**

*Location: Building 15; Room 129*

**The Counseling program at the College of San Mateo provides a variety of important services including personal, academic advising, transfer, and career planning. The role of the counselor/advisor is to assist students in establishing sound academic goals and in developing a sound educational plan to achieve those goals.**

**Personal counseling is available to all registered students. Counselors trained in personal counseling help students to obtain maximum benefit from their college experience. When appropriate, students may be referred to other offices for specialized assistance.**

**Career and transfer counseling and planning services are also available in the Career Services Center on an appointment basis. This service is provided to assist students in exploring their abilities, values and interest while establishing career and educational goals.**
