## Trustee Mandelkern receives Chapter 33 Endorsement for November Board Election

After his introduction at the Chapter 33 July 2011 Drive Release meeting, Trustee Mandelkern faced many strong questions from members attending the meeting. Member concerns included the potential sale of KCSM TV, managed hiring, layoffs, hiring of administrators, budget issues, and the CSM Fitness Center. Prior to conducting the business of the Union, members enjoyed a lunch prepared by Lavine Mar, Juanita Celeya and Medelline Lowe.

## Ballot count begins in Bilbrey run-off campaign!

First, you learned the reasons to elect Michael Bilbrey to the CalPERS Board; then, you read your CSEA literature and talked to members; you phone banked; you waited for your ballot; you voted, signed and returned your ballot to CalPERS. Chapter members have done what it takes to make Michael's campaign a success.

Now we wait again for the final results.
