

Speech 120  
Nonverbal Communication Research  
Speech Preparation

Go to the speech lab and video tape the presentation you plan on giving in class on your Nonverbal research project.

\*\*\*Remember to bring your video tape. Watch the video and complete the speech evaluation form used for speech 140 titled “Self Evaluation Sheet for Speech 140”—to be found on the Speech lab web page.

Be sure you have completed the form to the best of your ability.

Have the form **Signed and Dated** by the lab instructor before leaving the lab. Anyone not completing this assignment will not be allowed to present in class.

Your completed evaluation must be signed and dated by \_\_\_\_\_. Have this form with you each day you attend class just in case you are chosen to speak.

Speaking times:

One person--4-5 minutes

Two people—8-9 Minutes

Three people—10-12 minutes

Please be sure to be practice for time requirements.
