

Math 145 Essay 1 Prompt

Out of Class Essay

- 2 to 3 pages typed, double spaced, diagrams labeled
- Introductory paragraph with thesis, developing paragraphs, conclusion
- Choose your favorite Silly Story with a Moral
 - Summarize the story
 - Describe the process you and your study team followed in “solving” the story. Be sure to include “false starts” and description of thought processes that lead you “down Rabbit trails” as well as the path that lead you to a solution.
 - Read “Lessons for Life” on page 718. Which of these lessons did you practice in solving this problem? Are there some that could have been applied but were not?
