Spring Classes, Priority Enrollment

The spring 2009 schedule of classes will be on-line soon. For priority enrollment, you must have a "student educational plan" or SEP on file by October 15. If you have questions about your SEP, please contact Laura Demsetz at demsetz@smcd.edu or call 650 574-6400 to schedule an appointment with a counselor or advisor. In Spring 09, there is a conflict between Math 268 and the labs for ENGR260 and ENGR270. If you are transferring in F09 and need to take Math 268 and one or both of ENGR 260 or ENGR270, please see Laura Demsetz to schedule an alternate lab hour and complete the necessary paperwork. Engineering courses at CSM are offered on the following schedule.

Fall: Engr 100, Engr 215, Engr 230

Spring: Engr 210, Engr 260, Engr 270

Transfer Time

Applications are currently being accepted for F09 transfer to CSU campuses; apply on-line at www.csumentor.edu. Applications for UC campuses are available at <http://www.universityofcalifornia.edu/admissions/>. Filing period for F2009 UC transfer is November 1 – 30.

Open Houses

U.C. Santa Cruz's Preview Day is Saturday, October 11. More information is available at <http://admissions.ucsc.edu/pday08/>. No registration is necessary.

U.C. Davis's Preview Day is Saturday, October 18. It will feature a variety of presentations and workshops designed specifically for prospective transfer students. For more information and to register, go to <http://admissions.ucdavis.edu/previewday>.

U.C. Berkeley's College of Engineering Community College Day is Friday, October 31, 11-4 (the admissions workshop starts at 1:30). Register by October 24 and learn more at <http://www.coe.berkeley.edu/students/prospective-students/prospective-student-events> (click on the community college day link).

San José State University's Spartan Preview Day is Saturday, November 8 from 10:00 am to 12:00 noon. The College of Engineering will host departmental information sessions and lab tours. Please visit the Visitor Relations and Admissions Counseling webpage at <http://www.sjsu.edu/visit> and click on "Upcoming Events" for registration information.

Scholarships

Did you know that College of San Mateo has scholarships specifically for students transferring in engineering? Did you know that U.C. Santa Cruz's prestigious Karl S. Pister Scholarship is named after an engineering professor and Dean? Find out about these and other scholarships at the Scholarship Information Workshop sponsored by the Transfer Club, Wednesday, Dec. 3, 1:10-2:00 in 18-206.

The National Aeronautics and Space Administration is pleased to announce the NASA Undergraduate Student Research Program (USRP), offering undergraduates across the United States mentored internship experiences at NASA Centers and research support facilities. The application deadline for Spring 2009 is October 17; the application deadline for summer 2008 is January 23. More info at http://www.vsgc.odu.edu/Menu3_1_3.htm

Calendar

October 11, 18, Nov 8 Transfer school open houses (see above for details).
October 31 U.C. Berkeley Engineering Community College Day (see above for details).
