

Homework Problems: MyMathLab Problems are Boxed

Homework points are obtained in two ways. Turn in your written solutions to all of the following problems (boxed or otherwise) on the day it is due for 10 points. Then, complete the MyMathLab problems (they are based on the boxed problems below) correctly. You have up until the time it is due to try to get the MyMathLab problems correct. After that, you may still work on the MyMathLab problems for practice, but not for credit.
