

Data - People - Things Worksheet

DIRECTIONS: Circle the numbers of those statements that sound like you or something you might say.

I enjoy myself when I can:

- | | |
|---|---|
| 1. Operate machinery or power tools. | 16. Help someone solve a personal problem. |
| 2. Be the leader of a group. | 17. Take responsibility for the details of a project. |
| 3. Keep my papers, files and notebooks organized. | 18. Have a friendly conversation with someone. |
| 4. Use my imagination. | 19. Complete a job as carefully as possible. |
| 5. Tinker with some gadget. | 20. Do physically daring things. |
| 6. Talk for a long time on the phone. | 21. Use words, symbols or information creatively. |
| 7. Get people organized. | 22. Fix something that was broken. |
| 8. Keep track of my finances. | 23. Talk someone into doing a project. |
| 9. Do puzzles or solve problems. | 24. Work on my, or a friend's car. |
| 10. Work on a project with a group of people. | 25. Follow complex directions to do something. |
| 11. Put together a model or assemble something. | 26. Use my "common sense" to figure something out. |
| 12. Keep up to date on my assignments. | 27. Modify something to make it work better. |
| 13. Teach people something useful. | 28. Discuss my ideas with other people. |
| 14. Make something using simple handtools. | 29. Work with my hands. |
| 15. Be physically active. | 30. Share how I feel about something. |

SCORING INSTRUCTIONS: Circle on the following table the same numbers you circled above. Then **count** the circles in each row to learn which area you enjoy most. (Hint: Count the number of numbers circle. **Don't** add the numbers up!)
