OFFICE HRS: T/Th 3:30 - 6pm, Wed 3:30 - 5pm

**OPEN STUDIO HOURS:** The ceramics studio is available to all enrolled ceramics students in order to facilitate the 3 hour per week (by arrangement) requirement of this course. See the attached “Open Studio Schedule” for days and times. Every open studio will have a supervisor.

### STUDENT LEARNING OUTCOMES

Upon completion of this course students should be able to:

1. Articulate and practice basic ceramic hand-building and wheel-throwing construction methods to create functional and sculptural art pieces.
2. Articulate and practice basic surface and glaze techniques to enhance their clay work and further their artistic designs or ideas.
3. Demonstrate an understanding of and ability to use basic ceramics terminology.
4. Demonstrate how to problem-solve and communicate visually in translating their ideas into clay.
5. Express personal aesthetic judgments within a context of their experiences and connections made with historical and contemporary ceramic art.

### REQUIREMENTS/GRADING

**40%** **Attendance/Participation** – Includes responsibility for work area, clean-up, and proper use of equipment. **Tardiness and leaving early count against attendance.** Final and final clean up are required for grade. Art 412 students are expected to mix 1 glaze over the semester (to be checked off with instructor) and to help load the kilns.

**45%** **Assigned Projects and Personal Projects** – Ceramics II students are encouraged to participate in all demos and lectures for review, and may choose to complete the Ceramics I projects at a more advanced level. See the attached **Project Sheet** for required assignments. Projects will be graded on time and effort, creativity/originality, surface & glaze design, technique, and improvement (see ceramics grading rubric). Personal project plans will be based on discussion with the instructor, using the **Personal Project Proposal** and individual meetings as our guide. Please sign-up for individual critiques and pay attention to the advanced demonstrations especially for you- highlighted on the schedule. Turn in your project record sheet at the final for credit for projects.

**5%** **Final/Midterm Critique (2.5% each)** – Critiques will be graded on participation, presentation, and self-reflection. Must turn in a Project Record. (See critique grading rubric)

**5%** **Personal Project Proposal (due to me at midterm)** – A one page typed or neatly written statement, describing personal projects for the second half of the semester

**5%** **Notebook/Sketchbook** – To demonstrate problem-solving, research, and creative thinking

**A = 90-100%, B = 80-90%, C = 70-80%, D = 60-70%, F = below 60%. Credit is a C or better.**

**NOTE:** To elect a "Credit/No Credit" grade option, you must submit a CR/NC form to the Office of Admissions and Records, Building 2, One Stop Center, within the first 30% of the length of this class. Changes will not be permitted after this time.

**WITHDRAWAL POLICY:** If you wish to drop this class you must do so using the WebSMART system. Students will not be automatically dropped for missing class. Failure to drop in a timely manner may result in an F in the class.

## **WHAT YOU WILL NEED:**

- Clay: advanced students may use any clay approved by the instructor. Please mark your clay bags with the name of the clay and the cone it fires to. Soldate 60 is recommended for beginning throwing (available now in the bookstore).

-Tools: a basic tool kit. Additional tools will be shown throughout the semester.

-Work clothes: comfortable and washable.
