

## **MEASURE C FACILITIES PROJECT LIST**

### **I. REPAIR & RENOVATION \$100 million (\$90 million G.O. Bond, \$10 million State and local funding)**

- A. Repair or replace roofing
- B. Remove hazardous materials
- C. Renovate or replace plumbing systems
- D. Renovate or replace storm drainage systems
- E. Repair or replace sanitary drainage systems
- F. Repair, replace or renovate underground hot water piping system
- G. Replace or upgrade fire alarm systems
- H. Replace or upgrade building fire sprinkler systems
- I. Renovate or upgrade restrooms
- J. Repair, renovate or construct elevators and lifts
- K. Install battery backup power for elevators
- L. Grade slopes to improve accessibility
- M. Repair or replace asphalt and concrete surfaces
- N. Replace or install campus signage to improve accessibility
- O. Interior and exterior painting and waterproofing
- P. Replace, repair, or renovate interior finishes
- Q. Repair or replace door hardware and locks
- R. Replace or repair landscape irrigation systems
- S. Erosion mitigation
- T. Energy Efficiency:
  - 1. Replace or upgrade electrical systems
  - 2. Replace or install new lighting systems
  - 3. Repair, replace or install new heating, ventilation and air conditioning systems
  - 4. Repair or upgrade windows
  - 5. Install energy management systems
  - 6. Replace or upgrade environmental controls
- U. Resurface tennis courts \*
- V. Resurface athletic fields \*
- W. Renovate aquatic facilities \*
- X. Renovate athletic facilities \*

\* Not currently proposed for General Obligation Bond proceeds

### **II. TECHNOLOGY AND EQUIPMENT \$40 million (G.O. Bond)**

- A. Replace obsolete voice and data communications systems
- B. Renovate, upgrade or install infrastructure for networks
- C. Upgrade or replace computer hardware, including network equipment
- D. Replace or upgrade software
