

BOARD STUDY SESSION ON INTRA-DISTRICT ARTICULATION

Recommendations:

Short-term Recommendations:

1. Complete the work of the Degree Audit Committee by the end of this academic year.
2. Implement the Degree Audit no later than Spring 2007
3. Continue and increase the communication among the faculty and departments the three colleges when planning new courses to go beyond the current cursory FYI process

Long-term Recommendations:

1. Review key issues related to intra-district articulation and develop a model that minimizes the impact on students while respecting academic freedom and college autonomy.
2. Working with the Vice Presidents of Instruction and the Academic Senate re-examine the role and responsibility of the District Curriculum Committee.
3. Re-establish the role of District oversight in coordinating program development across the three colleges.
4. Enhance user-friendly technology and knowledge based information system that improves students' ability to access:
 - articulation information to transfer institutions
 - course reciprocity
 - pre-requisite requirements
 - degree requirements
 - graduation requirements
