

An aerial photograph of a school campus. A large, irregularly shaped area on the right side of the image is highlighted in bright yellow. This area is labeled 'LOT 10' and 'CLOSED FOR CONSTRUCTION'. To the left of the yellow area is a large, grey-roofed building labeled 'BLDG 3'. Below BLDG 3 is a parking lot labeled 'LOT 3' containing several cars. A blue tarp is draped over a structure in the parking lot. In the bottom right corner, there are several tennis courts. The overall scene is a typical school campus during a major construction project.

**BLDG 3**

**CLOSED FOR  
CONSTRUCTION**
