

**Fire Alarm Upgrades, Districtwide**  
**ELECTRICAL CONTRACTOR – C10 LICENSE - PREQUALIFICATION**

**ADDENDUM NO. 2**

**Item No. 1:** Required Liability Insurance coverage for the project.

**Response:** The following coverage limits shall apply to the Districtwide Fire Alarm Upgrade project, in lieu of those specified in Section X., item B of the Document dated October 9, 2003:

<u>Limits of Liability</u>	<u>Minimum Requirement</u>
----------------------------	----------------------------

Each Occurrence - Combined Single Limit for Bodily Injury and Property Damage	\$2,000,000
---	-------------

Products - Completed Operations Aggregate	\$2,000,000
---	-------------

Personal and Aggregate Injury	\$1,000,000
-------------------------------	-------------

General Aggregate - Not Applicable to Comprehensive Form	\$2,000,000
--	-------------

Business Automobile Liability Insurance - Limits of Liability	
Each Accident - Combined Single Limit for Bodily Injury and Property Damage	\$1,000,000

**Item No. 2:** Annual Revenue Requirements.

**Response:** The annual average annual revenue specified in Section XII., item A. of the Document dated October 9, 2003 remains unchanged.

**Item No. 3:** During the Prequalification Conference it was mentioned that the requirement for "Audited Financial Statements" may be waived. Will the College District waive this requirement?

**Response:** Financial Statement "reviewed" by a CPA will be accepted in lieu of "audited" financial statements.

**Item No. 4:** On 10/22/03 we received an email with a link to your facilities website. After clicking on the link for Addendum No. 1 to the Prequalification for the Fire Alarm upgrade a PDF file opened with Addendum No. 1 for the Synthetic Turf Prequalification. Do the terms of the Synthetic Turf Addendum No. 1 apply to the Prequalification for the Fire Alarm Upgrade?

**Response:** The Synthetic Turf Prequalification addendum does NOT apply to the Fire Alarm Project. The email links have been updated and corrected. Please go to  
<http://www.smccd.net/accounts/facilities/planconstruct/fire%20alarm%20%20pg%20addendum%201.pdf>

**Item No. 5:** In reviewing the directions for the completion of the Prequalification Documents on page #7 (III. Construction Experience, item "C") the directions state "Submit not more or less than three (3) of the following Project Data Sheets for each comparable project submitted as evidence of your firm's experience." This page is followed by three (3) different Project Data Sheet formats. Is the requirement for three (3) total Project Data Sheets in any combination of the three formats; three (3) of each Project Data Sheet format for each project; or one (1) of each format totaling three?

**Response:** The Project Data Sheet referenced in Section III is a five page document, including pages 8 – 12. Please make two additional sets of pages 8 – 12 and submit a total of three completed sets of these pages; one set each for a total of three comparable projects.

Sections IV and V pertaining to Current and Past Projects for the SMCCD or other California State or Community College Districts, respectively, each utilize a different Project Data Sheet. Please submit the appropriate data sheet for each section, or indicate **NONE** if appropriate.

**Item No. 6:** I called yesterday regarding the amount of previous jobs on how high the requirements are. These requirements I believe were for the use of general contractors. We are more than capable of doing these jobs as we can show in our pre-qualifications. Also we are more than able to bond multi-million dollar jobs with no problem. We have just actually finished a fire alarm job with UC Davis and also currently working on another in which both were half million dollar jobs. We are more than happy to answer any more questions regarding this matter

**Response:** This question pertains to demonstrated annual revenue requirements, addressed under Item #2 of this addendum

**Item No. 7:** The RFQ does not state how many copies of our submission we have to provide. How many copies of our prequalification package are required for turn in?

**Response:** Please submit Four (4) copies of the completed application.

END OF ADDENDUM NO. 2
