

**NOTICE TO
NON-ARCHITECTURAL CONSTRUCTION CONSULTANTS
REQUEST FOR QUALIFICATIONS
SMCCCD ANNUAL ROSTER CALL**

NOTICE IS HEREBY GIVEN that the San Mateo County Community College District of San Mateo, CA., acting through its Governing Board, hereinafter the District, is seeking qualifications from non-architectural construction consultants who wish to be included in an on-call roster for a variety of services to the District's three campuses: Cañada College, the College of San Mateo, and Skyline College.

The District is seeking qualifications from all interested non-architectural construction consultants, including, but not limited to:

1. MEP, including Fire Protection
2. Security and Access Control
3. Civil Engineering—including firms specializing in Heating and Hot Water Infrastructure design and repair
4. Data Telco
5. Geotechnical
6. CEQA
7. Certified Industrial Hygienist working in construction

Qualifications will be prioritized based upon experience with comparable projects in environments similar to the San Mateo County Community College District Capital Improvement Program. The District's standard consultant contract agreement is available for review on the District's website: www.smccd.net.

Statements of Qualification must be marked clearly on the envelope with your firm's name, specialty, and contact information, and filed with Swinerton Management & Consulting, College of San Mateo, Building 6, 1700 West Hillsdale Blvd., San Mateo, CA 94402, no later than **4:00 p.m., March 1, 2004**.

The San Mateo County Community College District is an equal opportunity employer.
