ASSIGNMENTS:

This course will require at least 5 hours of preparation time per class. You cannot afford to fall behind in assignments; catching up is extremely difficult.

Although only selected exercises and problems have been assigned, you should work as many additional exercises and problems as you can. Your text package includes 10 pages of solutions per chapter.

Homework counts for 10% of the course grade. Read each chapter and review the questions before proceeding to the short exercises and problems. If you feel uncertain about how to do an assignment, you can look at the illustrations in the chapter and follow the format, check solutions to problems not assigned, ask for help in the accounting lab.

You are expected to have completed the assignment before class. Homework will be checked for credit daily. Late homework will not be accepted. If you cannot come to class, send your work with another student or you may email to instructor. Late homework is not accepted for credit.

Go to the accounting lab and sign up for a scheduled weekly lab session. David Hall, the lab tutor will give you a **separate syllabus** for lab assignments. Your lab points will count for 10% of your grade in ACTG 121. Failure to complete these assignments will greatly harm your grade.

Success in this accounting course is dependent upon regular attendance, participation, and the completion of assigned homework. You may use the accounting lab for working on assignments or getting tutorial help whenever the lab is open in addition to your regularly assigned lab hour.

The accounting lab contains computers and ten-key adding machines for your use. An accounting tutor is available in the lab for tutorial help in both problems and computer assignments. The Accounting lab is located in Room 8-209 and the phone number is 738-4247. Lab hours are:

Monday-Thursday	8:00 am to noon
Monday-Thursday	4:00 pm to 6:30 pm

You may make arrangements to take exams and quizzes before the assigned date if you will not be able to attend the scheduled sessions. *All cell phones must be turned off and placed in book bag on floor. Failure to do this will result in a grade of zero on the exam.*

Academic integrity is expected of you at all times (see the Skyline College 2008-2009 Catalog page 37 for a full description). Violation of academic integrity rules will result in academic discipline at Skyline College. The course grade will be based on a weighted numerical average and a final letter grade for the course will be assigned using the standard 90-100 A, 80-89 B, etc.
