

# UC Berkeley Seminar

# On Community Colleges Transfer Eligibility & Process

Transfer from Community Colleges to Top Universities  
Joint Presentation by University of California, Berkeley & San Mateo Colleges of Silicon Valley

## DID YOU KNOW...

- 40% of all students who have earned a Bachelor's degree in America start at a community college
- Where you choose to begin college is not as important as where you earn your bachelor's degree
- Some selective universities offer guaranteed admission for community college students
- UC Berkeley admits 2 times more transfer students from community colleges than international students directly from high school (F-1 students)

## WHAT CAN YOU EXPECT AT THESE SEMINARS?

Jointly presented by UC Berkeley and San Mateo Colleges of Silicon Valley and hosted by EducationUSA and the US Department of Commerce, this series of seminars will:

1. Provide official information on the university transfer function of community colleges
2. Explain the process of transferring from community colleges to selective universities
3. Use examples, data, and interactive inquiries throughout the sessions

### PRESENTERS:

Leilt Habte, JD  
UC Berkeley

Jing Luan, Ph.D.  
San Mateo Colleges  
of Silicon Valley

### University of California, Berkeley

The unchallenged Best Public University in the world, UC Berkeley was established in 1868. It is one of the 10 campuses in the UC system. Known for its groundbreaking research, over 50 Nobel Laureates, countless famous alums and its significant contribution to science and culture of the world.

### San Mateo Colleges of Silicon Valley

First established in 1922 as a preparatory college for UC Berkeley and Stanford University, the 3 public community colleges (Cañada College, College of San Mateo and Skyline College) are known for their attractive and safe locations, elite quality transfer programs and services, state of the art facilities, and guaranteed transfers to and partnership with selective universities.
