GLOBAL  
CAREER  
CENTER

# Your Global Career Begins Here

The program is comprehensive in nature, including a personalized placement process and internship experience enhanced by career coaching. The Global Career Center (GCC) team works to match each student with a project-based placement that most closely connects to individual career goals, interests, and experience level. In addition to placement and ongoing support, the GCC program includes a series of professional events and cultural activities designed specifically to make the most of the experience, connect with the local community, and build global employability.

## PHASE ONE

Employability coaching includes individual career intake meeting to discuss goals, resume/CV revision, interview preparation, and skills review.

## PHASE TWO

Personalized placement process includes project scoping, workplace vetting, coordination of employer interviews, and confirmation of internship placement.

## PHASE THREE

Workplace success includes Global Career Competencies Model activities, professional development workshops, cross-cultural guidance, structured assessments, and ongoing coaching.

## PROGRAM SUPPORT

Logistical and administrative support includes visa coordination or guidance, housing booking or referrals, and Certificate of Achievement upon successful completion of the program.
