

## LISBON, PORTUGAL GLOBAL INTERNSHIPS

Gain global work experience. Prepare for your future career. Complete a project-based placement. Connect with international employers, local events and fellow students.

Exact opportunities can vary due to such factors as market trends, time of year, and economic outlook. Strong industry sectors for team internships in Lisbon include, but are not limited to, the following:

- **Communications & Marketing:** public relations, content creation, social media, corporate communications, tourism agencies, and more
- **Entrepreneurship & Technology:** EdTech, innovation hubs, start-up accelerators, UX design, VC funding, and more
- **Nonprofit & NGO:** program development, policy research, data analysis, evaluation reports, and fundraising support

*“Interning with a global employer connected what I am studying with my future career path” (Andrew, Summer Intern)*

Sample Project with Professional Services Company: supporting activities related to new business development such as new client prospecting and outreach planning

Sample Project with Consumer Goods Start Up: supporting message testing and market verification for a beauty company

Sample Project with Marketing Firm: developing and delivering social media calendar for European expansion

The Global Career Center (GCC) team works to match each student with a team-based project that most closely connects to individual career goals, interests, and experience level. In addition to placement and support throughout the project, the GCC program includes a series of professional events and cultural activities designed specifically to make the most of the experience, connect with the local community, and build global employability.
