Student Trustee  
Arthur Veloso Nepomuceno da Silva

I am Arthur Veloso Nepomuceno da Silva, a paralegal student at Skyline College, and a social justice advocate for our LGBTQ+ Latino Immigrant community. As an immigrant myself, I have faced numerous socio-economic challenges throughout my life to get access to higher education. My mission as the newly elected student trustee is to promote equity, visibility, and self-advocacy for the minoritized social groups that are part of the SMCCD, so they can have better accessibility to acquire high-quality education.
