Student Testimonials

"The GOL program has provided me with a convenient, relaxing, and enjoyable learning platform. I was able to study a subject that I was interested in and complete assignments at my own pace. It was also easy to communicate with the professors and other students by email. This way of learning also made me more interested in the subject."

- Yaolan Luo from China

Academic Pathway: GOL > SMCSV on campus > UC San Diego
Major: Economics

"[Global Online Learning program] offers many tools and resources for each class that have helped me to do well in my online classes. The administration is really kind and has also provided all the information needed to enroll and register for classes. The teachers are nice and are helpful. I have been really enjoying my classes and everything related with it."

- Stefany Torres from Colombia
