

skyline college PROMISE SCHOLARS PROGRAM

The Promise Scholars Program provides financial, academic and personalized student services including dedicated counseling and transportation assistance for first-time students who enroll at Skyline College full-time to earn a certificate or degree. The program is based on the ASAP model developed by the City University of New York which has doubled graduation rates.

The Promise Scholars Program at Skyline College has seen clear success with its initial cohorts and reached full replication of the ASAP model in Fall 2018, implementing all of the key components of the CUNY program and expanding to serve over 750 students.
