

BERLIN GLOBAL INTERNSHIPS

Gain global work experience. Prepare for your future career. Complete project-based deliverables. Connect with international employers, local events and fellow students.

Exact opportunities can vary due to such factors as market trends, time of year, and economic outlook. Strong industry sectors for global internships in Berlin include, but are not limited to, the following:

- Business & Innovation: logistics, professional services, consulting, trade, and more
- Marketing & Communications: public relations, social media, advertising, digital campaigns, and more
- Science & Technology: software, research, market analysis, beta testing, UX design, and more

“The global internship online allowed me to see different perspectives and gain confidence in my own abilities” (Summer 2021 Intern)

Sample Placement with NGO:
collect and analyze data for a multi-year research project related to educational systems and economic development throughout Europe

Sample Placement with EdTech Start Up: support beta testing and market expansion for language learning program

Sample Placement with Financial Services Firm:
coordinate a grant proposal process and review budgets for banking corporation charity fund

The Global Career Center (GCC) team works to match each student with an internship that most closely connects to individual career goals, interests, and experience level. In addition to placement and support throughout the project, the GCC program includes a series of professional events and cultural activities designed specifically to make the most of the experience, connect with the local community, and build global employability.
